Dear Pedro,

Affiliate Membership

I am pleased to confirm the Board's decision to approve your society's application for affiliate membership with the ICS. This is good news for both SINUG members and the ICS. As a reminder your members will be able to enjoy many benefits, such as:

- Access online to the Journal Neurourology and Urodynamics (NaU)
- ICS TV –abstract videos, educational modules, lectures and much more
- ICS eNews–providing frequent updates regarding scientific information, promoting interest incontinence issues and the latest news in the field
- Substantial reduction in registration for our annual meeting

I would like to take this opportunity of welcoming your members to the ICS and look forward to a long and fruitful collaboration.

Your sincerely,
